

## Alex Malyshev Participates in AHLA Podcast on What Health Law Lawyers Need to Know About Cannabis

**November 08, 2021**

In a podcast sponsored by the American Health Law Association (AHLA), Alex Malyshev joined a panel of distinguished guests to discuss the Cannabis, Hemp & CBD industry and its implications for the health care industry. Discussion topics included the patchwork of different cannabis laws among states, the overlay between federal and state laws when it comes to prescribing, cultivating, and selling cannabis, and obstacles that businesses face from a banking and investment perspective.

Alex is also an author of AHLA's recent publication, *Health Care and the Business of Cannabis: Legal Questions and Answers*.
