

Carter Ledyard Celebrates the 75th Anniversary of Circle Line Cruises

June 17, 2020 / less than a minute

Circle Line Cruises, a client and friend of Carter Ledyard, operates seven ships in the New York Harbor, offering views of over 130 landmarks, including the Statue of Liberty and Ellis Island, and of the New York City skyline by day and night. Established in November of 1945, Circle Line is the best known company dedicated to sightseeing in New York City. In 2017, Circle Line acquired New York Water Taxi, adding to its fleet of sightseeing transportation. Carter Ledyard celebrates Circle Line's history and the milestone of 75 years.
