

Carter Ledyard Partner Chris Rizzo Participates as Panelist on Business Development in the Time of COVID-19

April 09, 2021

On April 8, 2021, Chris Rizzo, director of Carter Ledyard's Environmental and Land Use practice, participated as a panelist in an online discussion organized by International Business Development Professionals on business development and hiring business development professionals in the time of Covid-19. Fellow panelists included representatives from Skanska, Newmark and Razor Consulting. IBDP is a nonprofit association of business development professionals (www.ibdpros.org).
