Join CLM for a presentation from Ofir-SouthUp Ventures: Discover how investing in high-potential Israeli startups based in the Western Negev can drive innovation and meaningful impact in the region.

Ofir-SouthUp will discuss their vision of attracting top-tier startups, supporting existing ones, and fostering resilience and sustainable development for businesses and the community in the region. The realization of this vision depends primarily on the ability to generate capital investments that will incentivize high-quality startups to relocate their operations to the Western Negev, while also investing in local startups to reduce the risk of entrepreneurs relocating to central Israel.
