

## Carter Ledyard to Host Virtual Continuing Legal Education Program on the 2021 Outlook for Environment and Land Use in New York City (2 CLE Credits)

**April 15, 2021**

On Tuesday April 20<sup>th</sup>, 2021, from 12 to 2 p.m., Carter Ledyard's Environmental and Land Use practice, in collaboration with representatives from CAPALINO—one of New York's leading urban strategic advisory firms—will co-host a virtual program on the 2021 outlook for land use and environmental projects in New York City. Topics of discussion will include greenhouse gas emission limits for New York City buildings; the Mayor's affordable housing rezonings; hotel limits and hotel conversions; an update on climate resiliency projects in New York City; eminent domain under New York State law; implications for major infrastructure projects including Gateway and Penn Station; and what to look for in the June 2021 primaries.
