

## Christopher Rizzo Will Speak at The NY League of Conservation Voters Education Fund

**October 20, 2015 / less than a minute**

Christopher Rizzo, a Counsel in CL&M's environmental and land-use practice, will speak at The NY League of Conservation Voters Education Fund on November 6, 2014 regarding funds for an equitable park system in New York. The forum will examine alternative financial models for New York parks that can include innovative zoning, public/private partnerships, state agencies, business improvement districts and dedicated park funds.

Founded in 1989, NYCVEF aims to educate, engage and empower New Yorkers, policymakers and community groups as advocates of the environment.
