

Controlling Cannabis and the Classification of Delta-8 THC

September 22, 2021

In an article published by Thomson Reuters, Alex Malyshev and Sarah Ganley of the firm's Cannabis, Hemp & CBD Industry Group detail a new type of cannabis product: Delta-8 THC, a popular product sold at convenience stores and gas stations in many states. Known for the high that they produce, Delta-8 THC products have attracted the attention of state and federal regulators, including the FDA.

The article is the third in a regular series to be published in Thomson Reuters by Alex and other members of the Industry Group.
