

Guy Ben-Ami Discusses New Clawback Policies and SEC's Final Rules in Webinar with Gornitzky & Co.

September 13, 2023

Carter Ledyard's Guy Ben-Ami, together with Israeli firm Gornitzky, met by Webinar, on Sunday September 10, 2023, with top Israeli companies traded on NASDAQ and NYSE, and discussed [the implications of the new SEC clawback rules](#), aimed at ensuring that companies would recoup incentive-based compensation that was awarded based on inaccurate financial statements.

Israeli dual-listed companies, and all public issuers (both U.S. and foreign) traded on NASDAQ/NYSE, are advised to review their current compensation policies, revise them accordingly, prepare for the reporting requirements, implement the rules into their employment agreements and establish appropriate Board procedures.
