

In Thomson Reuters, Alex Malyshev and Sarah Ganley Explore the Cannabis Market's Evolution in 2023 and Anticipate Trends for 2024

January 11, 2024

In their latest for Thomson Reuters, Alex and Sarah analyze the state of play in the Cannabis industry in 2023, and what to expect in 2024. Among other things, Alex and Sarah discuss the Biden Administration's attempts to use the executive branch to bring about reform, continuing efforts in Congress to bring reform, and the continuing push at the state level to move the recreational cannabis industry online.
