

## In Thomson Reuters, Alex Malyshev and Sarah Ganley Survey the Illicit (or “Gray”) Cannabis Market and the Challenges it Presents for States Where it is Legal

**March 08, 2023**

In their latest article for Thomson Reuters, Alex Malyshev and Sarah Ganley discuss the proliferation of the illicit market for unlicensed cannabis sales in states that have legalized, putting state regulators in the untenable position of trying to snuff out this gray market while avoiding the appearance of a “War on Drugs 2.0.”

The article highlights some of the tactics employed by states and regulators to weed out the gray market (with various degrees of success).
