

## Jodutt Basrawi to Speak at ITechLaw's 2025 World Technology Law Conference

**April 17, 2025**

Jodutt "Joe" Basrawi, associate in Carter Ledyard's Cybersecurity and Data Privacy practice, has been invited to speak at ITechLaw's 2025 World Technology Law Conference in San Diego, California. He will host a roundtable discussion titled, **Cryptocurrency and Blockchain in Gaming: Opportunities and Regulatory Hurdles**, discussing the intersection of virtual assets, cryptocurrency, and gaming, including tournament prize structures, NFT integration, and navigating the evolving regulatory landscape.

The conference will take place the 14-16 of May in San Diego. The roundtable will take place on Thursday, May 15 from 9:30 – 10:45 AM PT. [Learn more about the conference.](#)
