

Jodutt M. Basrawi to Present on Evolving U.S. Crypto Regulations and Global Impacts in Webinar – The Great U.S. Crypto Reset

June 06, 2025

Joe Basrawi will participate in Legalink's fintech webinar on June 12th 2025. This 90-minute session will explore the evolving landscape of U.S. crypto regulation and its global implications, with a special focus on the recent wave of legislative and agency actions shaping the future of digital assets. The session will cover the proposed national bitcoin reserve, CFTC/SEC updates, and the groundbreaking U.S. market structure bill, which aims to create a comprehensive framework for digital asset regulation.
