

## Partner Paul Proulx Moderates Airspace Panel at the Skyscraper Museum

**July 25, 2018**

Paul J. Proulx, whose practice involves representing buyers and sellers of development rights in New York City, moderated a multi-disciplinary panel at the Skyscraper Museum on "Airspace" on July 24, 2018. Mr. Proulx and the panel explored cantilevering and bridging techniques that allow developers to expand their floor-plates beyond the four corners of a zoning lot.
