I am passionate about the nonprofit sector and have worked for a variety of nonprofits both on the legal and programmatic side. I am committed to providing excellent legal service to allow my clients to best achieve their missions.

Stephanie is an associate in the tax-exempt organizations practice. Her experience includes working with private foundations, public charities, and social welfare organizations on a range of legal matters ranging from formation to mergers.

Prior to joining Carter Ledyard, she served as a Legal Fellow at the Open Society Foundations, where she worked on private foundation governance issues and compliance with international grantmaking rules.
