

Robert G. Koen Publishes Spring 2025 Edition of the Thomson Reuters Real Estate Finance Journal

May 02, 2025

The Real Estate Finance Journal (REFJ), a Thomson Reuters Publication executive edited by Carter Ledyard real estate partner Robert “Bob” Koen, has published its 2025 Spring edition. This issue features several articles covering diverse topics such as limited liability companies, corporate separateness, and climate superfunds.

REFJ is one of the industry’s most prominent quarterly publications featuring insights and analyses from highly recognized lawyers and professionals on current issues in real estate financing.
