

## In Law360, Jack Griem, Matt Dunn and Jenny Frank Provide Strategies for Companies Navigating the New York Digital Fair Repair Act

**January 31, 2023**

Jack Griem, Matt Dunn and Jenny Frank have authored an insight article for Law360, *Strategies For Companies Navigating NY Digital Fair Repair Act*, on New York's recently enacted Digital Fair Repair Act.

The article summarizes the requirements for original equipment manufacturers for electronic devices to provide diagnostic and repair information to both consumers and independent repair shops. The authors advise that companies should prepare strategies to overcome compliance challenges.
