

## Whiplash: Litigating Abrupt Changes to Federal Environmental Policy

April 18, 2025

In their latest column for the New York Law Journal, Chris Rizzo and Karen Meara of Carter Ledyard's Environmental and Land Use practice, take a look at the new administration's attempt to make sweeping changes to a slew of environmental regulations, particularly those impacting fossil fuel production and use. They unpack the legal and procedural hurdles the EPA faces in dismantling decades of environmental protections.
